

# Eugit Therapeutics

**Directing right drugs to the right tissue**

Pre-seed funding from

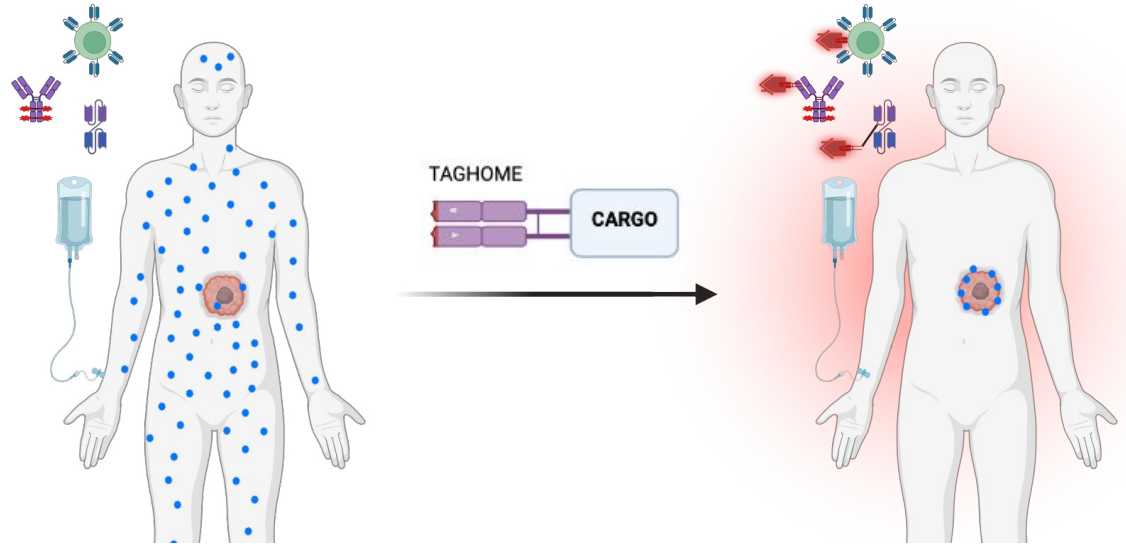

Proprietary. Eugit Therapeutics, Inc

Stage: Pre-seed

Geography: San Carlos, CA

Incorporated: June 2022

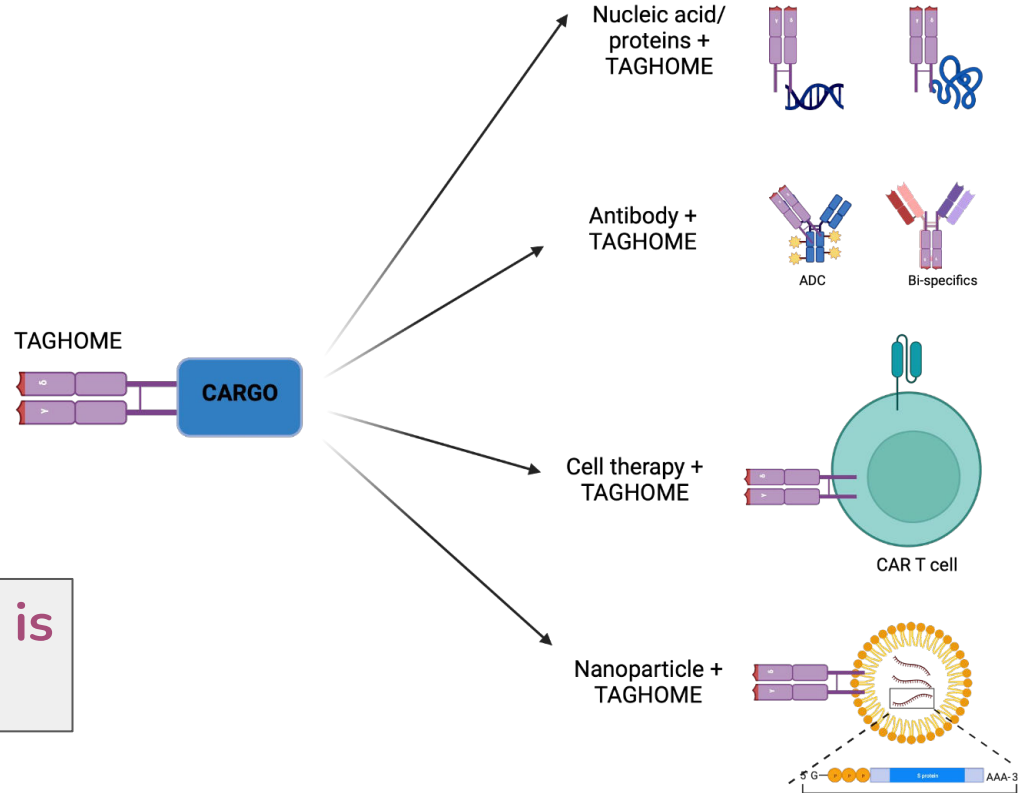

# Overview: Eugit's TAGHOME targets drugs to diseased tissues

**TAGHOME\*** : Tissue tArgeted Gamma delta HOming MEdicine

\* Patent pending

# Solution: $\gamma\delta$ -T cell receptors (TCR) can be exploited to restrict drug's localization to diseased tissue

Gut TAGHOME is ready to go

# Vision: Target any therapy to any tissue using TAGHOME

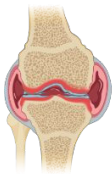

## Gastroenterology

- Inflammatory Bowels Disease (IBD): Crohn's & Ulcerative Colitis 3M

**TAGHOME (Gut)**  
**TAG-001**

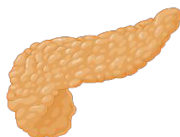

## Rheumatology

- Rheumatoid Arthritis ~2M
- Axial Spondyloarthritis 3.3M
- Sjogren's disease 2M
- Psoriatic Arthritis 1M
- Lupus 1.5M

**TAGHOME (Joint)**

## Endocrine

- Type 1 diabetes 1.3M
- Thyroid 15M (Hashimoto's, Graves)

**TAGHOME (Pancreas)**

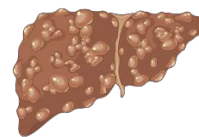

## Neurology

- Multiple sclerosis 1M
- Alzheimer's disease 6.5M

**TAGHOME (Meninges)**

## Fibrosis

- Liver cirrhosis 1M
- Non-alcoholic fatty liver disease
- Idiopathic pulmonary fibrosis 0.1M
- Cardiac fibrosis
- Renal fibrosis

**TAGHOME (Liver)**

# 30+ years of immunology, cell therapy & startup experience

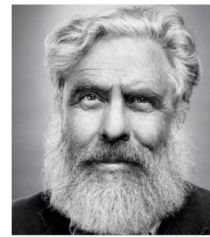

**Nizar Batada**

CEO/Co-Founder  
PhD, Stanford  
Postdoc, Harvard

**Yoshi Fukazawa**

VP of Research/Co-Founder  
PhD, Kyoto;  
Postdoc, Oregon Health & Science  
University

**George Church**

Co-Founder  
Professor, Harvard  
Pioneer in Genomics, Co-  
Founded > 50 companies

## Scientific Advisors

**Dieter Kabelitz**

Director, Institute of Immunology  
 $\gamma\delta$ -T cell expert  
University of Kiel

**Dietmar Zaiss**

Professor in Immunology  
Inflammation and T cell  
signaling expert  
University of Regensburg

**Stefan Symeonides**

Senior Clinical Lecturer  
Clinical trials in Immunotherapies  
University of Edinburgh

**Karen Kim**

Clinical Assistant Professor  
Gastroenterology  
Stanford Medical School

**Cassian Yee**

Medical Oncologist, Center for  
Cancer Immunology  
Cell therapy clinical trials and  
manufacturing  
MD Anderson Cancer Center

**Joe Collura**

Director, Portal Innovations
